Customer support	♡JUNE ♡♡	2024/03/06	16:49:45	It's going good?
User	homas / How Hig	2024/03/06	17:24:09	What best price can you make to me for 4 jars?
User	homas / How Hig	2024/03/06	17:32:00	This order is almost all presale. I prefer make deposit because 2 weeks or more can be very long to wait with money lockedin. I need to be sure when it comes though. It's 2 weeks 100% or this can be more?
Customer support	♡JUNE ♡♡	2024/03/06	17:42:10	normally it should be with in 10-14days. but it's illegal to import u know right ? sometime the officer will random check and we have to wait for fews days and we can get it out
Customer support	♡JUNE ♡♡	2024/03/06	17:43:21	but u will get it 100%, but i talk to u straight, mostly it'll be faster than 14days, but not all the time and it's out of my control
Customer support	♡JUNE ♡♡	2024/03/06	17:44:10	worst case scenario is 20 days max out
Customer support	♡JUNE ♡♡	2024/03/06	17:44:18	may be u just pay in half
Customer support	♡JUNE ♡♡	2024/03/06	17:45:33	The new strains
Customer support	♡JUNE ♡♡	2024/03/06	17:45:48	and new melt exotics
User	homas / How Hig	2024/03/06	17:59:02	Sure I dont doubt that you will get it. Its just money management on my side I have partners involved. What price can you make if we deposit 50%?

User	Aston	2024/03/10	18:40:20), since I have not received an answer of my previous message, I guess you are not interested in our WHOLESale cannabis supply and do not want to enrich your collection. I remind you that our farm is in Nakhon Pathom and we are committed to provide the Best and Purest INDOOR Cannabis as we have dynamic range of strains featuring main strains and exciting monthly additions. Nature's Fabrik provides samples, allowing our products to speak for themselves and be able to decide for yourself whether you want to have a partnership with us. Please, if you are interested, let me know so that I can visit and deliver samples and discuss more about our possible partnership. Greetings, Nature's Fabrik

User	Unknown	2024/03/11	14:29:19	Thank you for getting back to me I appreciate it. I was wondering if you guys are interested in social media marketing, photo/video content creation, website development, SEO increase and running paid ads, as I would love to offer my services to an amazing business and brand such as yourself and possibly work together on improving your business and generating more sales
Customer support	Neverland	2024/03/11	14:29:21	Track my current delivery! See its route and expected arrival time at https://express.grab.com/n2Lx0V83
User	Unknown	2024/03/11	14:30:25	Social media management- growing account, engaging with the community by liking and commenting and following, being consistent in posting by posting 5x a week, posting reels and stories, posting high quality content, gaining likes, comments and follows. I guarantee 1000 new followers in the first month and then 2000 every month after if you want to know numbers. Photography- if you guys need photography for something specific, I'm happy to do it as it allows me to capture new content as well as spend time with you guys and get to know you better as I strive for long lasting relationships with my clients. All of that will go towards your marketing and content, all that will be left to do is run paid ads that u will put together so we can attract new customers but then I ask you for a budget of 1000-2000 per week to spend on ads only every week.
Customer support	Neverland	2024/03/11	14:30:40	sure i'm listening
User	Unknown	2024/03/11	14:31:14	This is everything explained as I would be more than happy to spend time with you guys to get to know you better and get new content as I would do that every month
User	Unknown	2024/03/11	14:33:14	For all of that if you are interested, those services which I would be committed to, would be 15,000฿ a month. I believe my prices are affordable and competitive for what I offer, as most agencies will charge separately just for content creation.
User	Unknown	2024/03/11	14:34:09	I reached out to you guys as I have a huge passion for cannabis and work exclusively in the cannabis industry and love to help businesses in the cannabis world as I believe together we are stronger.
User	Unknown	2024/03/11	14:34:38	Let me know if you guys are interested and we can discuss further or if you have any questions or queries?
Customer support	Neverland	2024/03/11	14:35:26	i have no problem with spend on ads brother

Customer support	Neverland	2024/03/11	14:37:21	ok

User	Unknown	2024/03/11	14:37:27	Thank you for your kind comment , I truly am passionate about the cannabis industry especially here in thailand as its very unique and I love marketing and making content.
Customer support	Neverland	2024/03/11	14:37:29	your price is very good
User	Unknown	2024/03/11	14:37:38	Thank you
Customer support	Neverland	2024/03/11	14:38:02	this is you do alone or with your team may i ask ?
User	Unknown	2024/03/11	14:39:12	So I try and do marketing for cannabis but I try and not show cannabis. I try to show the cannabis lifestyle , like people talking and hanging out , people relaxing and making new friends , people laughing and having fun. Stuff like this in the content. Because the moment you show the special cannabis that we love, Facebook and Instagram will hate you , trust me I know.

Customer support	Neverland	2024/03/12	20:52:01	just in case you're finding them if not, it's ok no worry
User	Guy	2024/03/12	20:52:47	<p>ผมเข้าใจครับและก้ขอบคุณมากที่พี่ช่วยเคลมของ แต่มันมี2เหตุผลที่ทำให้ผมไม่สบายใจ</p> <p>1. เซคserial no.แล้วเจคนเซคเลขนี้ไปแล้ว ซึ่ง serial no. มันไม่มีทางซ้ำครับ เค้มาถึงเลยให้ลูกเซคได้ เพราะถ้ามันมีเลขซ้ำจะไม่มีใครรู้เลยว่าแท้หรือปลอม</p> <p>2. ข้อนี้ยังทำให้ผมเชื่อว่ามันปลอม เพราะมันไม่เมาครับ (ผมดูดครั้งนึง คือสามคำ ผมลากจนไฟกระพริบทั้งสามคำ ดูดเข้ามีควันและไอทุกคำ) ตอนแรกผมก็นึกว่าผมมีความต้านทานสูงมันเลยไม่เมา ผมก็เลยลองดูดดอกปกติดูหุ้มนเดียวเท่านั้น คือมาต่างกันชัดมากๆ แปลว่าชัดละว่าไม่น่าแท้</p>

User	Unknown	2024/03/27	15:39:46	Hmm... If you are interested in researching this, other business owners that I work with are able to bypass this by using AliPay, linked to a credit card, which any foreigner or local can use. WePay, Line Pay, and others don't work very good, but AliPay is relatively easy. Otherwise, my other business owner friends in the be US use Square, but they have the same problem there with credit cards. Debit cards however, work easily. I recommend looking into that, if you're curious.

User	Nick Fenwick	2024/04/01	21:19:17	Hello! Can we set up an order please, for delivery tomorrow? What gummies do you have in stock at the moment?
Customer support	♡JUNE ♡♡	2024/04/01	21:19:28	Can ka
Customer support	♡JUNE ♡♡	2024/04/01	21:19:40	Muha meds gummies right9
User	Nick Fenwick	2024/04/01	21:20:02	It was Muha meds last time, yes.
User	Nick Fenwick	2024/04/01	21:21:13	The website shows Camino Sours, Pokadot Mushroom Chocolate and Muha Meds. I'd be interested in the Camino, or Muha meds, or any others you might have that are not on the website.
User	Nick Fenwick	2024/04/01	21:23:24	The website seems a bit broken :/ If you remember in Feb, I bought from you and it offered a pre-rolled free worth \$690, you were really kind and offered a pack of edibles free (worth the same, I guess). Can you make a similar offer now?
Customer support	♡JUNE ♡♡	2024/04/01	21:23:58	Polkadot is Mushrooms ka
Customer support	♡JUNE ♡♡	2024/04/01	21:24:50	น้ทอยากได้ราคาไหนๆ
User	Nick Fenwick	2024/04/01	21:36:51	Mushrooms are a bit too much I think :P I'd like Muha Meds, 3 packs: Strawberry, Lime, Very Berry Please! Can you confirm the total and I can make a bank transfer.
User	Nick Fenwick	2024/04/01	21:37:37	I would like these delivered tomorrow, Tuesday, around 5pm or earlier would be best please. You guys often deliver after dark, and my Thai family gets very upset about these late deliveries.
Customer support	♡JUNE ♡♡	2024/04/01	21:37:57	Okay

User	Bitna	2024/04/25	21:46:41	P can I get the products that I ordered?
User	Unknown	2024/04/25	21:58:44	Hello June, I've got a question for you. I'm helping a colleague expand her bakery, and I think one of her products might be really popular with cannabis users. If I brought you a small batch for free for you to try selling to your customers, might you be interested? They're little packages of two sweet bread chips. They cost 7฿ to manufacture, but I think they could be sold between 10฿ to 15฿ to foreigners. สวัสดี June ฉันมีคำถามหนึ่งจะถามคุณ ฉันกำลังช่วยเพื่อนร่วมงานขยายร้านเบเกอรี่ของเธอ และฉันคิดว่าหนึ่งในผลิตภัณฑ์ของเธออาจจะได้รับความนิยมจากผู้บริโภค ถ้าฉันนำชุดเล็กๆ มาให้คุณฟรีเพื่อลองขายให้กับลูกค้าของคุณ คุณอาจจะสนใจไหม? มันเป็นแพ็คเกจเล็กๆ ที่มีขนมปังหวานสองชิ้น ต้นทุนในการผลิตอยู่ที่ 7 บาท แต่ฉันคิดว่าสามารถขายได้ระหว่าง 10 ถึง 15 บาทสำหรับชาวต่างชาติ

User	Unknown	2024/04/25	22:12:21	Excellent. Next time I visit, I'll bring you about 32. I recommend trying to sell each little bag (two chips) for 10฿ to 15฿ (or more, if foreigners are willing to pay). If you end up selling them and they are popular, I think the bakery owner could possibly sell them to cannabis store owners as a box of 400 little packs for about 3,200฿ each. (It currently costs her 2,800฿ per box to manufacture.) I don't know the details yet. I think if I create a new brand name with a funny logo that attracts foreigners, it might help sell them also. Don't know about this part yet either.
User	Unknown	2024/04/25	22:12:23	ดีมาก คราวหน้าที่ฉันไปเยือน ฉันจะนำประมาณ 32 ชิ้นมาให้คุณ ฉันแนะนำให้ลองขายดูเล็กๆ แต่ละถุง (มีขนมปัง 2 ชิ้น) ในราคา 10 ถึง 15 บาท (หรือมากกว่านั้น ถ้าชาวต่างชาติยินดีจ่าย) ถ้าคุณขายได้และมีความนิยม ฉันคิดว่าเจ้าของเบเกอรี่อาจขายให้กับเจ้าของร้านขายกัญชาเป็นกล่อง 400 ชิ้น ในราคาประมาณ 3,200 บาทต่อกล่อง (ต้นทุนในการผลิตอยู่ที่ 2,800 บาทต่อกล่องในปัจจุบัน) ฉันยังไม่ทราบรายละเอียดในส่วนนี้ ฉันคิดว่าถ้าฉันสร้างชื่อแบรนด์ใหม่พร้อมโลโก้ที่น่าสนใจสำหรับชาวต่างชาติ มันอาจช่วยในการขายสินค้าได้เช่นกัน ยังไม่แน่ใจเรื่องนี้เช่นกัน

User	Zarina	2024/04/28	17:54:54	<p>Hello ☺</p> <p>I noticed that your store has a stylish interior and an impressive assortment. I am engaged in attracting customers to cannabis shops through targeted advertising on Facebook and Instagram.</p> <p>Many people today know how to bypass Facebook moderation, but this often ends up losing money because of a lack of marketing skills and not understanding how to properly market and pitch the value of the product to customers.</p> <p>My approach is unique. With a deep understanding of sales mechanisms and excellent audience segmentation, I stimulate a strong interest to buy from potential customers. My campaigns will not only attract traffic, but also convert visitors into loyal customers who want to buy specifically from you.</p> <p>I can guarantee that you will see an increase in sales already in the first days of our cooperation.</p> <p>Tell me, would you be interested in discussing how my services can help your business increase revenue? ☺</p>

User	Unknown	2024/05/12	15:33:58	I will use the domain: ToastChips.com. I don't think I'll use the logo for now, as the name for this product would be "Freedom (French) Toast Chips" with the word crossed out in graffiti. I will start by simply leaving them without a logo, until I finalize what I want them to look like.

User	Unknown	2024/05/15	16:16:08	Hey, June! Update for you: We're going to use the name "French Toast Chips" for the product (that we're going to give you a few free samples to taste and to sell). We'll use the website ToastChips.com for this particular product line, made by her bakery. Normally, each box costs her 54 ฿ to produce. I'm suggesting that she sell each box for 70 ฿, and that they are sold to consumers for 100 ฿ (or more). What do you think?
User	Unknown	2024/05/15	16:16:56	สวัสดี จูน! มีข่าวอัปเดตให้: เราจะใช้ชื่อว่า "เฟรนช์โทสต์ชิปส์" สำหรับผลิตภัณฑ์นี้ (และเราจะให้ตัวอย่างฟรีกับคุณเพื่อชิมและขาย) เราจะใช้เว็บไซต์ ToastChips.com สำหรับไลน์ผลิตภัณฑ์นี้ที่ทำโดยเบเกอรี่ของเธอ ปกติแล้วกล่องละคิดราคาผลิตอยู่ที่ 54 บาท ฉันแนะนำให้เธอขายกล่องละ 70 บาท และขายให้กับผู้บริโภคที่ราคา 100 บาท (หรือมากกว่า) คิดว่ายังไงบ้าง?

Customer support	Unknown	2024/05/28	23:16:25	Bong we have this bro
User	D	2024/05/28	23:16:58	I can't verify it
User	D	2024/05/28	23:18:48	also the pen itself does not have the strain sticker on it
User	felix	2024/05/28	23:19:06	Its ok
User	D	2024/05/28	23:19:07	online all depends have the sticker strain on them
User	felix	2024/05/28	23:19:09	390 rite?
User	felix	2024/05/28	23:19:28	Left side bro

Customer support	♡JUNE ♡♡	2024/05/28	23:28:28	Ok
Customer support	♡JUNE ♡♡	2024/05/28	23:31:14	Let me check
Customer support	Neverland	2024/05/28	23:32:19	https://share.confidentcannabis.com/samples/public/share/b63c3b50-7efa-4a61-a526-e80cd304543b
User	D	2024/05/28	23:32:43	this isn't verification on their website
User	D	2024/05/28	23:32:50	that's the only way to show if it's real or not
User	D	2024/05/28	23:33:13	this had a scratch me to verify sticker
User	D	2024/05/28	23:33:20	which takes you to their official website where you type in the code that's on the sticker
User	D	2024/05/28	23:33:24	and in this case it cannot verify
User	D	2024/05/28	23:33:36	this is just a test of the oil inside but it doesn't test for everything
User	D	2024/05/28	23:34:02	if you look at the link you sent me there's a lot of things that aren't tested
User	D	2024/05/28	23:34:14	so in order to make sure it's real and safe I have to check with their website which in this case it's not allowing me to it doesn't recognize the code
User	Lance (Gerome)	2024/05/28	23:35:46	Hello. What type of concentrates (dabs) do you have available now?
User	Nannn	2024/05/28	23:35:47	หรือถ้าที่มีตัวไหนที่อยากได้บอกแนนได้นะคะ
User	D	2024/05/28	23:36:04	also there is no sticker of the strain which all of them should have
User	D	2024/05/28	23:36:20	and this case the CA warning is a sticker when it's not meant to be a sticker
User	D	2024/05/28	23:36:33	but the biggest sign is the official website is not able to verify this product
User	D	2024/05/28	23:36:55	in the past with Big Chief products I've always been able to verify on their website
Customer support	Neverland	2024/05/28	23:37:16	can you send your "official site" ?
User	D	2024/05/28	23:37:44	bigchiefextracts.com
User	D	2024/05/28	23:38:01	the brands site krub. not my official site
Customer support	♡JUNE ♡♡	2024/05/28	23:38:54	Let me try to use vpn
User	D	2024/05/28	23:38:58	yes use vpn
Customer support	♡JUNE ♡♡	2024/05/28	23:39:08	Don't worry if this is fake we will return money
Customer support	Neverland	2024/05/28	23:39:16	https://www.bigchiefextracts.com/
User	D	2024/05/28	23:39:17	because they don't have official distributor in Thailand and it's not "legal"

Customer support	Neverland	2024/05/28	23:39:28	off course
User	D	2024/05/28	23:39:29	so they block the site with Thai IP
User	D	2024/05/28	23:39:41	thank you
User	D	2024/05/28	23:40:00	if I can verify it, I want it no problems krub
Customer support	Neverland	2024/05/28	23:40:02	every brand in usa can't export to thailand legally
User	D	2024/05/28	23:40:07	exactly
User	D	2024/05/28	23:40:10	so have to use vpn
Customer support	Neverland	2024/05/28	23:41:56	the one with sticker doesn't mean it's authentic, did u try it yet ?
User	D	2024/05/28	23:42:14	no krub as I said the biggest sign is the website doesn't allow me to verify the product
User	D	2024/05/28	23:42:33	in the past, I've had a lot of their products which can be verified
Customer support	Neverland	2024/05/28	23:42:40	ok
Customer support	Unknown	2024/05/28	23:42:45	Hi
User	D	2024/05/28	23:42:48	I don't care about the sticker or anything I just want to verify it on their website to make sure it is authentic and real
Customer support	Unknown	2024/05/28	23:43:08	Dabs right?
Customer support	Unknown	2024/05/28	23:43:12	yew we have
Customer support	Neverland	2024/05/28	23:43:37	so just send it back no problem

Customer support	♡JUNE ♡♡	2024/06/11	23:03:44	Let me check
User	PK	2024/06/11	23:03:49	Please check
User	PK	2024/06/11	23:11:46	Yes
User	PK	2024/06/11	23:11:51	This is not real
User	PK	2024/06/11	23:11:57	It should be like this
User	PK	2024/06/11	23:11:59	Wait
User	Unknown	2024/06/11	23:12:31	ส่งรียังค้าบ
Customer support	♡JUNE ♡♡	2024/06/11	23:12:34	I just scan this
User	PK	2024/06/11	23:12:52	Also when I scan the backside barcode it take us to the telegram page
User	PK	2024/06/11	23:12:57	Not the insta page
User	PK	2024/06/11	23:13:01	So luckily I bought first time I got the real one and I didn't throw the wrapper that's how I understand the difference between real and fake. I don't know how the fake one is so similar to the real one but I can tell you how to find difference after I did the research myself. So first when I scan the real one the nfc sticker is pink color with purple mushroom logo on it after scanning it show on verify Big letter AUTHENTIC with official polkadot making video. But when I scan this fake one it doesn't show the video or letter AUTHENTIC in capital letters. Other difference I found in both is the size of the whole bar from outside packaging the fake one is slightly big. Third difference is the inside wrapper the fake one cannot match the quality of wrapper with the real one you can see the quality and color of wrapper is degraded like a little pixelated and color is not real. One more difference the real wrapper have a barcode at the back side if you see closely it have mushroom logo in the center of barcode and it take you to their official insta page but the fake one take you to telegram channel and doesn't have mushroom logo in the center of barcode which is at the backside.

User	Ye Sithu Win	2024/06/29	19:27:33	I am a dedicated individual with a strong background in customer service and cannabis cultivation, seeking a Budtender position at a cannabis dispensary in Thailand. Although I do not have direct experience in a dispensary, my previous role as a bartender has equipped me with excellent customer service skills. Additionally, my experience as a Head Grower at a cannabis farm in Yangon has provided me with extensive knowledge of cannabis cultivation and products. I am eager to bring my skills and passion for cannabis to your dispensary. I am proficient in English and currently learning Thai, demonstrating my commitment to effective communication with a diverse clientele.

User	stompie911	2024/07/17	3:14:26	Hi there, I'm arriving in bkk tomorrow. I will come to your store in a day or so after. I bought from you before in February but you shipped it. This will be my first time in your store. I'm super excited.
User	stompie911	2024/07/17	3:15:33	The last time I bought the melt vape from you I was very impressed. With so many selections, do you have testers of the flavours for sale? I've been to a shop where they do have testers, so I'm curious
User	stompie911	2024/07/17	3:16:15	I would also like to buy a tre house mushroom vape. Are they all the same strength with different flavours?
User	stompie911	2024/07/17	3:16:56	As for your gummies, have you tried them and from someone else's experience, if you know, which is the strongest one of the ones you have on sale?
